Directors and Senior Management today face a number of challenges in the boardroom – Increasing regulations, pressure from activist shareholders, dominance of promoter directors, emerging risks of doing business like penalties for non-compliance, third party risks, cyber frauds and the threat of disruptive technologies. All these create a great deal of Uncertainty, Complexity and Volatility in the business environment.

In such a scenario we at Business Beacon Management Consultants have geared ourselves to prepare you to face these challenges. We will equip you with the knowledge, insights and skills to take informed decisions at the board and senior management levels and become the 'Change Agents' of Good Governance Practices in your companies.

PROGRAM HIGHLIGHTS, BENEFITS & KEY TAKEAWAYS

- A better insight into the prevailing governance practices of medium and small sized public and private limited companies with a focus on Family Owned companies
- Overcoming the Governance challenges faced by Boards and Senior Management in these companies
- Knowledge and Leadership skills for creating High Performance Boards with Best-in-class Governance practices

“*Sound Corporate Governance practices inspire investor confidence, spur domestic and foreign investment and improve corporate competitiveness. Key to this are well informed Boards and Directors, fully aware of their responsibilities and functions'*
